Welcome Letter

Dear Colleagues,

On behalf of the Organizing Committee it is my great honour and pleasure to welcome you to participate in the forthcoming 10th Asia and Oceania Thyroid Association [AOTA] Congress to be held in Bali, Indonesia on 24 to 27 October 2012.

The 10th AOTA Congress will certainly both provide an excellent platform for us to share our knowledge and experiences as well as enhance a more effective communication between the experts and people interested in thyroidology not only from Asia and Oceania region, but also from other part of the world.

We choose Bali to be the place of this important event because Bali is worldwidely known as one of the most amazing tropical islands in Indonesia, rich with unique cultures and beautiful natural scenery. The unsurpassed beauty of Bali made some people even named Bali as the 'Island of God'. Besides bringing scientific activities, we will also arrange an ample time for you to enjoy the utmost Bali and experience the special social program, which will boast the culture and artistic life of Bali.

Mark the dates on your calendar and plan to submit your interesting papers for presentation at the 10th AOTA Congress. Don't miss this event, Bali is worth to visit !

Best regards

Johan S. Masjhur
Chairman of the OC 10th AOTA Congress

Congress Venue and Dates

The 10th AOTA Congress will be held from Wednesday 24 to Saturday 27 2012 at **Discovery Kartika Plaza Hotel - South Kuta Beach, Bali Indonesia**

Language

Official language is English. There will be no simultaneous translation.

Pre - Registration

Let us know your e-mail address and we will send you regular updates on the 10th AOTA Congress program.

Exhibition and Sponsorship

A scientific and technical exhibition open to pharmaceutical companies, manufactures of materials and equipment, and scientific publishers, will be held during the entire congress. If you wish to exhibit or take a part in the sponsorship program, please contact the Congress Secretariat.

Social Program

Cultural evening and local tour to various points of interest in Bali Pre-Congress and Post-Congress Tour is designed to suit your interest. There are many places in Indonesia, other than Bali, you have to visit and experience not only the warmth and generosity of the people but also diversity of culture and exotic tropical scenery.

Important dates

- 31 October 2011** Second announcement & call for abstracts
- 31 May 2012** Deadline for abstracts submission
- 31 July 2012** Deadline for early bird registration
